

NANUK™

PROFESSIONAL PROTECTIVE CASES

Organize. Protect. Carry.

plasticase

About Us

- **Founded in 1984**, **NANUK**/Plasticase is headquartered in Terrebonne, QC.
- One of North America's **leading designer**, manufacturer and marketer of specialty resin carrying cases.
- Designing and building waterproof protective cases for **a variety of users** in Canada, the U.S.A., in Europe and more than 45 Countries around the world.
- **Protective cases** and product-specific foam interiors for drones, photo, video and broadcast, firearms, medical and electronic devices and any other equipment that requires special protection in normal or harsh environments.
- Waterproof, dustproof and virtually **indestructible protective cases for mission-critical products**. NANUK cases take the abuse so important gear doesn't have to.

PROFESSIONAL PROTECTIVE CASES

Our Evolution

1996

Resentel Ltd is restructed and emerges with a new name, Plasticase Inc along with a new factory.

1998

Plasticase introduces a world first, molded polymer color channels for the ceramic grout industry.

2000

The new kitcase line joins the designer series.

2004

Three new models; maxcase foliocase and procase are added to the designer series.

2005

Plasticase breaks ground on a new 50,000 sq ft facility to serve as both global headquarters and centralized manufacturing center.

2008

NANUK PROFESSIONAL PROTECTIVE CASES

The NANUK line of professional protective cases hits the world market.

2012

The CLIKCASE line is acquired - a growing line of multi-purpose cases.

CLIK!CASE

2013

NANUK NANO

The NANUK NANO introduced. Small cases, big protection.

2016

By 2016, the NANUK line of cases grew to over 21 different sizes including wheeled cases.

2018

NANUK – The Meaning

Inuit people of the Great North call him **NANUK**

Thriving in an unforgiving landscape, the polar bear has evolved to survive the challenges of the freezing temperatures, frigid waters and ice-covered terrain of the arctic. As one of earth's most resilient predators, the great white bear is the inspiration behind our name: strong and fearless, designed to survive in the harshest conditions.

Organize, Protect, Carry

We're big on all three. In fact, we stock case sizes and accessories to transport small, sensitive electronics or very large but delicate industrial tools anywhere! We're developing new products rapidly, so we're confident that we have the solution for you. On top of that, we stock up to 10 different colors for select case sizes so your cases can either stand out or blend in. It's your choice.
