- Orthodontic Instruments

This catalogue may be used in conjunction with our ENT Catalogue, which illustrates our product range for Oral & Maxillofacial Surgery and our General Instruments Catalogue, which covers additional general instruments used in Dental Surgery.

ABOUT SURTEX INSTRUMENTS

Surtex Instruments is a privately owned medical technology company dedicated to innovation and excellence in the crafting of dental & surgical instruments. Based on customer demand over time our roots extended beyond a specialist in reconstructive surgery instruments and gradually expanded to one of the most comprehensive instrument range available in the industry today.

SURTEX QUALITY STANDARDS

In European Union medical devices are subject to a series of uniform laws and the EC directive places rigid demands on surgical instruments. Surtex Instruments is proud to claim that we have always surpassed the legal requirements to ensure that each instrument reaching the surgeons hand is indeed a testament to surgical craftsmanship.

We are **BS EN ISO 13485:2012/ISO 9001:2008 (SGS UK)** certified and **CE** approved to ensure compliance with the standards defined in line with medical devices directive **93/42/EEC.**

WHY IS SURTEX FOCUSED ON INSTRUMENTS QUALITY?

Dentists are highly talented and skilled individuals. They operate under significant time constraints and are required to make quick decisions while performing complex dental surgery. At Surtex we understand that in such a scenario the dental professional requires tools that are not just fit for the purpose but are reliable, dependable and crafted by a company that has track record for relentless pursuit for excellence in the manufacturing of dental instruments.

We now manufacture over 8,000 different types of instruments and offer solutions in dental surgery, microsurgery, trauma and cardiovascular to name a few. All our products are available to view online where you can download a PDF version or request a printed catalogue.

AFFORDABLE QUALITY

Dental instruments represent a significant proportion of hospital's total assets. Hospitals and health centers are often required to minimize costs of Dental instruments without impacting quality or patient's health. Decision makers tend to respond via group purchasing contracts & multiple quotes to shop around for the lowest price. However this approach has significant drawbacks as numerous instrument companies have focused towards competing on price alone with a disregard towards instruments quality while claiming their instruments to be guaranteed and free of defect.

The outcome for the buyer being a perceived notion of a quality instrument, which is actually little more than a knock-off and delivers only poor value for money.

At **Surtex Instruments** our success has been based on helping customers navigate successfully through the instrument. procurement process by identifying real value for money through fair comparison. We believe that quality should be affordable and you should not pay too much for over priced brands and neither should you pay too much for a low quality instrument.

LIFE TIME WARRANTY

We encourage our customers to calculate lifetime costs prior to making purchase decisions and investing in surgical instruments.

Surtex Instruments are guaranteed for life* against manufacturing defects of material and workmanship. This means we will repair or replace free of charge any surgical instrument that does not meet its functional requirements when used for its intended purpose and maintained properly.

*Conditions apply.

SURTEX INSTRUMENTS

OUR PRODUCT BRANDS

XTiN™

These instruments features Composite™ (titanium nitride) coated tips. The Composite™ coating greatly enhances hardness properties of the tips allowing for reduced abrasion, scratch resistance and elimination of “pull-back” when manipulating composite materials.

XTRAC™

These ergonomically designed tooth extraction forceps are lightweight and provide the perfect grip and power to the dental professional. All forceps are equipped with a Teflon disc (temperature resistant up to +250°C) in the box lock for effortless and smooth handling.

ULTRA Grip X™

The only choice when the perfect grip matters. Utilising Creep Feed technology individual teeth are grinded into hard wear resistant tungsten carbide (TC). The result is super sharp teeth with well-defined point and inserts with impeccable gripping properties and instruments that last up to 6 times longer.

ULTRA Cut™

Instruments with this symbol benefit from tungsten carbide (TC) inserts expertly bonded on the cutting edge of the instrument. This material is harder then stainless steel and enables the instruments to last up to 6 times longer than standard instruments.

EDGE™

Instruments with diamond edge technology features superior stainless steel alloy that stays sharper longer and requires less frequent sharpening ensuring complete removal of all supra-and-sub-gingival concretions in non surgical and surgical periodontal therapy.

DENTAL EXTRACTION INSTRUMENTS

Surtex extraction instruments are the preferred choice when performing extractions by dentists today in clinics worldwide.

Our specially designed ergonomic handles, tactile feedback and intelligent design help minimize tissue damage during tooth extraction so that bone integrity is preserved and extraction is considerably less traumatic.

Surtex Root Elevators feature a fine tapering blade that compresses the alveolar and cuts the membrane to enable the dentist to gently ease the tooth form its socket.

All our extraction forceps feature XTRAC™ technology, these forceps been designed to provide sub gingival access to the teeth during the extraction. We realize that maximising tooth to forcep contact is critical to enhance grip and enable atraumatic tooth extractions. Therefore our extraction forcep's non-slip beaks are anatomically shaped, tapered, serrated and notched to reach deeper into the tooth socket and maximize tooth to forcep contact.

Surtex XTRAC™ forceps are ergonomic and lightweight to provide the perfect grip and power to the dental professional. All forceps are equipped with a Teflon disc (temperature resistant up to +250°C) in the box lock for effortless and smooth handling.

Our XTRAC™ forceps are polished to "mirror finish" providing the maximum corrosion resistance and available in both English and American patterns. The English Pattern forceps all have visible pins or screws in the hinge area whereas the American patterns all feature hinges that are completely polished out and smooth so that no pin is visible.

All forceps can be diamond coated for an extra charge.

SURTEX
INSTRUMENTS

Crafted to Excellence

DP

PERIODONTAL INSTRUMENTS

At Surtex Instruments each instrument is carefully crafted from start to with one objective in mind-to help dental professionals perform at their optimum to achieve successful clinical outcomes and patient satisfaction.

For periodontis and gingivitis treatment for the supra and sub-gingival removal of concretions Surtex instruments offer a variety of products to cater for individual needs. Surtex scalers and curettes feature unique EDGE™ technology with superior stainless steel alloy that stays sharper longer and requires less frequent sharpening ensuring complete removal of all supra-and-sub-gingival concretions in non surgical and surgical periodontal therapy.

In our range you will also find different types of gingivectomy knives, universl curettes, periodontal files & papilla elevators.

ENDODONTIC INSTRUMENTS

Surtex endodontic instruments are the preferred choice of dental professional whether preforming routine route canals or even complex microsurgery.

Root canal treatment for diseases of the pulp-dentin complex and the periapical tissue is an important therapeutic option for conserving the tooth. In our endodontic instrument range you will find products suitable for both orthograde and retrograde root fillings, such as for example, fine, specially designed application and filling instruments for applying, condensing and removing the root filling material in the root canal. Our finely crafted range includes excavators, micro explorers, micro dissecting forceps, locking pliers, pluggers, rubber dam clamps, rulers and spreaders.

DENTAL RESTORATIVE INSTRUMENTS

Our success at Surtex Instruments is the result of adapting the working knowledge of dental surgeons and universities worldwide into dental restorative instruments that practitioners can trust. We are committed to never compromise on our reputation for product and service excellence.

During the teeth restoration process patients demand aesthetically pleasing, natural and high quality solutions. Surtex innovative restorative instruments are the result of clinical feedback, advance technology and constant development and training of our highly skilled instrument craftsmen enabling us to deliver instruments that meet patient demands.

To help insert the conserving materials and perform the individual modelling of surfaces, even in hard to reach, proximal areas, there are delicate, flexible spatulas, filling instruments and excavators as well as modelling instruments (e.g. round condensers, pear-shaped condensers and flat-end condensers) available in different forms to optimise the aesthetic results.

Composite™ Restoration Instruments

Surtex Composite™ restorations instruments feature industry leading XTiN™ technology which greatly enhances hardness properties of the tips allowing for reduced abrasion, scratch resistance and elimination of "pull-back" when manipulating composite™ materials for a accurate, smoother and efficient restoration.

Amalgam Instruments

Surtex Amalgam restoration instruments are handcrafted and precision engineered using high carbon stainless steel. Our unique hardening techniques ensure hardened tips, which are then polished to create a scratch resistant, smooth surface ensuring aesthetically pleasing restorations.

Excavator Instruments

Surtex Excavator instruments are made from premium grade surgical stainless steel that is formed and precision ground by expert craftsmen then hardened for the ultimate in sharp edges, retention and durability.

Our Excavator instruments are ideal for use in the removal of carious dentin. Surtex offers a complete selection of "Spoon" and "Blade" Excavators in a wide range of blade widths and shank lengths for a variety of applications.

TERMS & CONDITIONS

1. Definitions

Company means **Surtex Instruments Ltd** (registered in the United Kingdom under registration number 7035724).

Customer means the company, firm or organization who's Order for the Goods is accepted by the Company.

Contract means the Order accepted by the Company and incorporating these conditions.

Goods means the goods which the Company agrees to supply in accordance with these conditions and which are identified on the Order.

Order means the order for the purchase of the Goods submitted by the Customer.

i. Any reference to a law is a reference to it as in force for the time being taking account of any amendment, extension, application or re-enactment and includes any subordinate legislation for the time being in force made under it.

ii. Where a condition provides for a list of items following the word "including" or "includes", then such list is not to be interpreted as being an exhaustive list.

2. Incorporation of Conditions

i. These conditions shall apply to the Contract to the exclusion of all other terms and conditions, including any terms and conditions which the Customer may purport to apply under any order (including the Order), confirmation of order or similar document or in any correspondence.

ii. No variation to these conditions shall be binding unless agreed in writing by an authorized representative of the Company.

iii. The Contract constitutes the entire understanding between the Company and the Customer with respect to the Goods and supersedes all previous agreements and understandings between the parties. The Customer acknowledges that it has not relied upon any statement made orally or in writing by the Company, its employees or agents to the Customer, which are not expressly incorporated into the contract.

3. Ordering

i. Each order (whether submitted by telephone, fax, post, email or electronic ordering system) shall be deemed to be an offer by the Customer to purchase the Goods pursuant to these conditions. The Company may, at its complete discretion, refuse to accept any Order.

ii. The Customer shall be responsible to the Company for ensuring the accuracy of the terms of any Order (including the description of the Goods ordered).

Samples and Free of Charge Goods

iii. For the avoidance of doubt, where no order is placed and the Company provides Samples, to familiarize the Customer with the goods, as part of a sampling program or where the Company provides Free of Charge Goods to the Customer as part of a clinical trial or compassionate use program these conditions shall, to the extent applicable, apply to such Samples and Free of Charge Goods.

4. Price and Payments

i. Subject to the condition 4.5, unless and otherwise agreed by the Company in writing, the price of the Goods shall be the price listed in the Company's published price list current at the date of the Company's acceptance of the Order. Subject to the condition 4.4, any price may be altered from time to time by the Company on giving not less than thirty days notice to the Customer.

ii. Standard delivery shall be in accordance with the condition 6.1 or as stated on the Pro Forma offer whichever is greater. If the Customer requires delivery within an alternative time period, the Customer shall contact the Company's customer Support Centre to agree an alternative time period, which will be charged at an additional cost to the Customer. All delivery times are subject to the Goods being in stock at the time of the Company's acceptance of the Order.

iii. The price is exclusive of VAT and all other applicable taxes and duties, which the Customer shall be additionally liable to pay the Company.

iv. The Company reserves the right, by giving notice to the Customer at any time before delivery, to increase the price of the Goods to reflect any increase in the cost of the Company which is due to any factor beyond the reasonable control of the Company.

v. The Customer shall pay the price within ten days of the date of the Company's invoice (the" Due Date"). In the case of payment other than by cash, payment shall only be deemed to have been made on receipt of cleared funds. The time of payment of the price shall be of the essence.

vi. If the Customer fails to make payment on the due date then the Company shall be entitled to charge the Customer interest (both before and after judgment) on the amount unpaid, in accordance with the Late Payment of Commercial Debts (Interest) Act1998.

vii. The Customer shall not in any circumstances or for any reason whatsoever be entitled to make any deduction or withhold any sum from the price by way of set-off or otherwise.

viii. All payments payable to the Company under the Contract shall become due immediately on its termination, despite any other provision.

5. The Goods

i. The quantity and description of the Goods shall be as set out in the Order.

ii. The Goods shall be supplied in accordance with the description in the Order. The Company may from time to time make changes to the specification(s) of the Goods, which are required to comply with any applicable safety or statutory requirements or which do not materially affect the quality or fitness for purpose of the Goods.

iii. The specifications and designs of the Goods (including the copyright, design right and other intellectual property in them) shall as between the parties be and remain the property of the Company.

iv. The Customer undertakes not to use any trademarks or trade names applied by the Company to the Goods, nor do or permit anything to be done where by the good will or reputation of such trademarks or trade names may b e prejudiced or damaged.

v. All samples must be clearly identified as such, and the Customer must not sell any Samples to any third party.

6. Delivery

i. Subject to the conditions 4.2 and 6.2, delivery of the Goods shall be made to the delivery address specified in the Order normally within 30 days or as stated on the Pro Forma Invoice whichever is greater after the date of the Company's acceptance of the Order.

ii. The Company reserves the right to with hold delivery of any Goods if any sum due to the Company under any contract with the Customer is overdue or if, in the reasonable opinion of the Company, the financial standing of the customer has been impaired for any other reason.

iii. Time of delivery shall not be of the essence and, subject to condition 8.6; the Company shall not be liable for any loss or damage whatever due to any failure by the Company to deliver the Goods (or any of them) promptly or at all.

iv. The Company may deliver the Goods by separate installments. Each separate installment shall be invoiced and paid for in accordance with the provisions of the Contract. Each installment shall be a separate Contract and no cancellation or termination of anyone Contract relating to an installment shall entitle the Customer to repudiate or cancel any other Contractor installment.

v. The Customer shall take delivery of the Goods promptly whenever they are tendered for delivery (which shall include signing the relevant delivery note).If, for any reason, the Customer fails to take such delivery of the Goods or otherwise causes or requests a delay in delivery:

a. The Goods shall be deemed to have been delivered;

b. Risk in Goods shall pass to the Customer; and

c. The Company shall be entitled to store or arrange for the storage of the Goods until actual delivery, and charge the Customer for the reasonable costs (including insurance) of such storage and any additional charges incurred in delivering the Goods at a later date.

vi. The Customer shall ensure that adequate and safe facilities and procedures exist at the Customer's premises for the delivery of the Goods.

vii. The Customer shall immediately notify the Company's Customer Support Centre if the Goods are not received within 30 days of receipt of the invoice.

Acceptance of the Goods

viii. Subject to condition 6.9, the Customer shall be deemed to have accepted the Goods seven days after the date of delivery to the Customer. After acceptance, the Customer shall not be entitled to reject Goods which are not in accordance with the terms of the Contract and the Company shall have no liability whatsoever to the customer in respect of the Goods.

ix. The Customer must notify t o the Company's Customer Support Centre any alleged defect, shortage in quantity, damage, loss or failure to comply with description within seven days of receipt and hold the Goods for inspection by the Company.

Return of the Goods

x. Any requests to return Goods must be made to the Company's Customer Support Centre within seven days after the date of delivery of the Goods to the Customer. Goods which have specialist storage requirements or short expiry dates will not be accepted for return.

xi. If the company agrees to accept any Goods for return, the Company will issue a “return reference number” and the Customer shall be liable to pay a handling charge of 20% of the price. No return will be accepted after 15 days. Custom-made, made to order, color-coded, etched, and specially sourced instruments are non-returnable. Instruments that have been used/sterilized are also non-returnable. All products being returned should be sent in their original unopened packaging. All Goods must be returned to the Company carriage-paid. The Customer must provide the Company with proof of carriage. For the avoidance of doubt, the Goods shall be at the Customer's risk until return delivery is accepted by the Company.

xii. Goods returned without the prior written approval of the Company may be returned to the Customer at the absolute discretion of the Company.

Recall of the Goods

xiii. In the event that any Goods are subject to be called by the Company, the Customer shall provide to the Company as much information as is reasonably possible regarding the whereabouts of the Goods.

7. Title and Risk

i. The Goods shall be at the Customer's risk at the time of delivery, unless the parties have agreed in writing that the Goods are to be collected from the Company's premises, in which case, the Goods shall be at the Customer's risk when the Company notifies the Customer that the Goods are available for collection.

ii. Property in the Goods shall not pass from the Company until:

a. The Customer has paid the price in full; and

b. No other sums whatsoever are due from the Customer to the Company.

iii. Until property in the Goods passes to the Customer in accordance with the condition 7.2, the Customer shall:

a. Hold the Goods on a fiduciary basis as bailed for the Company;

b. Store the Goods separately from all other goods in its possession and mark them in such a way that they are clearly identified a s the Company's property; and

b. Maintain the Goods in satisfactory condition and keep them insured on the Company's behalf for their full price.

iv. The Customer may sell at full market value or use the Goods only in the ordinary course of the Customer’s business. Any such sale or dealing shall be a sale or use of the Company's property on the Customer's own behalf and the Customer shall deal as principal when making such sales or dealings. Until property in the Goods passes from the Company, the proceeds of sale or otherwise of the Goods, to the full extent of the price of the Goods, shall be held in trust for the Company and shall not be mixed with other money or paid In to any over drawn bank account and shall be at all material times identified as the Company's money.

v. The Company shall be entitled to recover the price not withstanding that property in any of the Goods has not passed from the Company.

vi. Until such time as property in the Goods passes from the Company, if the Customer:

a. Enters into liquidation or has a winding up order made against it or has an administrator, receiver or manager appointed in respect of its assets; or

b. Fail to make payment in accordance with these conditions, the Customer shall upon request deliver up to the Company such of the Goods as have not ceased to be in existence or resold. If the Customer fails to do so, the Company may enter upon any premises owned. Occupied or controlled by the Customer where the Goods are situated and repossess the Goods.

vi. The Customer shall not pledge or in any way charge by way of security for any indebtedness, any of the Goods which are the property of the Company. If the Customer does so, all sums whatever owing by the Customer to the Company shall forth with become due and payable.

vii. On termination of the Contract, howsoever caused, the Company's rights contained in this condition 7 shall remain in effect.

8. Warranties and Liability

i. Subject as expressly provided in the Contract, all warranties, conditions or other terms implied by statute or common law are excluded to the fullest extent permitted by law.

ii. Subject as expressly provided in the Contract, all terms and conditions, warranties and representations (whether implied or made expressly) whether by the Company, its servants or agents or otherwise relating to the quality and /or fitness for the purposes of the Goods are excluded to the fullest extent permitted by the law.

iii. The Company shall be under no liability in respect of any damage arising from fair wear and tear. Fire or accident, will full damage, negligence, abnormal working conditions, failure to follow the Company's instructions. Misuse [or unauthorized installation, alteration or repair] of the Goods. The Customer must pass the Company's instructions on to any purchasers or potential users of the Goods.

iv. The Customer shall indemnify the Company for any losses incurred by the Company in respect of any claim brought for:

a. Use of Goods by the Customer in breach of section 6 of the Health and Safety at Work Act etc 1974 or any other relevant safety legislation; or

b. Infringement of any patent, copyright or other third party intellectual rights relating to the Goods by thecustomer.

v. The Company shall not be liable to the Customer for any indirect or consequential losses (including indirect loss of profit, loss of use, loss of production, loss of business, loss of business opportunity, loss of business revenue and loss of good will) arising under or in connection with the Contract.

vi. Subject to the condition 8.8, when any valid claim in respect of the Goods is notified to the Company in accordance with these conditions, the Company shall be entitled to repair or replace the Goods (or the part in question) or, at the Company's sole discretion, refund to the Customer the price of the Goods (or proportionate part of the price), and the Company shall have no further liability to the Customer.

vii. Subject to the condition 8.8, the entire liability of the Company arising under or in connection with the performance of the Contract howsoever arising shall not exceed £5,000,000 (in line with the NHS Purchasing and Supply Agency conditions of contract for the purchase of goods).

viii. Nothing in these conditions shall exclude or limit the liability of the Company for death or personal injury caused by the Company's negligence, fraud or fraudulent misrepresentation, or any other matter in relation to which it would be illegal for the Company to exclude or attempt to exclude its liability.

9. Force Majeure

i. The Company shall not be responsible for any failure to fulfill its obligations under these conditions and/or in relation to the Goods if such failure is caused by an event which is beyond its reasonable control including acts of God, war, armed conflict, acts of terrorism, riot, strikes, industrial action (including action involving the Company's employees), fire, flood, any natural disaster, any defaults by the Company's suppliers or subcontractors, difficulties obtaining workmen or materials, and breakdown of machinery.

ii. If such event continues for more than one month, the Company may terminate the Contract without liability.

10. Assignment

i. The Company may assign the Contractor any part of it to any company, firm or organization.

ii. The Customer shall not be entitled to assign the Contractor any part of it without the prior written consent of the Company (such consent not to be unreasonably withheld or delayed).

11. Export

i. Where the Customer intends to export the Goods from the United Kingdom, the Customer shall be responsible for obtaining all necessary licenses and complying with all applicable legislation and regulations governing the export of the Goods from the United Kingdom and the importation of the Goods into the country of destination and shall be esponsible for the payment of all duties on the Goods.

12. Miscellaneous

i. All communications between the parties about the Contract shall be in writing and delivered by pre-paid first class post or by hand to the party's registered office, principal place of business or such other address as may at the relevant time have been notified pursuant to this provision to the party giving notice. In the absence of evidence of earlier receipt, any notices shall be deemed to be duly served:

a. If sent by first class post, two working days after posting; or

b. If delivered personally, when left at the relevant address.

ii. Save as required to be disclosed by law:

a. Where the Customer is an NHS body, both parties, their employees and agents shall at all times keep confidential and secret and shall not disclose to any person the price or specification relating to the Goods (unless otherwise published): or

b. Where the Customer is not an NHS body, both parties, their employees and agents shall at all times keep confidential and secret and shall not disclose to any person any information, materials or documents acquired in connection with the Contract which concerns the other party, its employees or business, Unless otherwise disclosed other than due to a failure of the relevant party to comply with the Contract. On termination of the Contract, howsoever caused, the parties' obligations contained in this condition 12.2 shall remain in effect.

iii. Neither party, its employees or agents shall offer, give or agree to give to any person any gift or consideration of any kind as an inducement or reward for doing or for bearing to do, or for having done or for borne to do, any action in relation to the obtaining or execution of any contract with the other party.

iv. Each right or remedy of the Company under these conditions is without prejudice to any other right or remedy of the Company.

v. On termination of the Contract, howsoever caused, all obligations which are expressed to remain in effect shall survive termination of the Contract, together with such conditions the survival of which is implied or is necessary for the interpretation or enforcement of the Contract.

vi. A person who is not a party to the Contract shall have no rights pursuant to the Contracts (Rights of Third Parties) Act 1999 to enforce any terms of such contract.

vii. If any provision of the Contract is held to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall. To the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness, be deemed to be severable and the remaining provisions of the Contract and the remainder of the provision shall continue in full force and effect.

viii. No waiver or forbearance by the Company (whether express or implied) in enforcing any of its rights under these conditions shall prejudice its right to do so in the future.

ix. These conditions are subject to the law of England and Wales. All disputes arising in relation to these conditions or the Contract shall be subject to the exclusive jurisdiction of the courts of England and Wales.
